TO QUALIFY FOR TRAINING ON YOUR PADI MSDT SPECIALTY INSTRUCTOR COURSE, YOU MUST:

- Be at least 18 YEARS OLD
- Be certified as a diver for at LEAST SIX MONTHS
- Be certified as a PADI Instructor or be an instructor in good standing with another training organization
- Have 100 logged dives that include experience in night, deep and navigation diving
- Be fit for diving and submit a medical statement signed by a physician within the last 12 months
- Have proof of CPR and First Aid training within the last 24 months (The PADI EFR course meets this requirement)

OUR DIVE-CAREERS MSDT SPECIALTY INSTRUCTOR PACKAGES WILL HELP YOU MEET ALL OF THESE PRE-REQUISITES

PADI MSDT COURSE CONTENT

Our MSDT Internship includes training in 5 PADI Specialty Instructor areas, resume workshops, Marine Resource Management seminars, Oxygen Provider Instructor and assisting experienced instructors on courses to build up your experience and certifications.

We will teach you the latest teaching techniques right from your booking with access to our unique on line learning video presentations, theory assessments and knowledge reviews, through to extensive use of the latest digital products and teaching techniques during your IDC.

Our schedule incorporates revision for theory and skills, plus extra training in emergency procedures, accident management and oxygen provision. Plus we also include a seminar on coral reef ecology with a FREE Marine Resource Management seminar. All extra information to make you a better instructor.

Upgrade to our MSDT Internship option and you'll gain valuable experience whilst working alongside qualified instructors

The PADI CDC Dive Centres that we choose to work with are the most successful in their regions. Be part of that success and start your career on the right track. That is a REAL job opportunity!

On Koh Tao, Thailand and Bohol, Philippines we can guarantee minimum 25 certifications if you stay for at least a month!
