

Thank you kindly for booking your dive holiday with **"THE MANTA QUEEN FLEET"**. Our transfer department is responsible for your safe and comfortable transfer to our dive centre. Our transfer schedule is included in this email for your reference. We ask that you contact us with the details of where you will be staying, so that we are able to organize your pick-up on the day of your trip departure.

**Please note that the free of charge transfer service in Khao Lak is available on the day of departure and arrival only.*

If you are staying in Phuket you can join our shared minibus transfer on departure and arrival days of your booked trip for only **300THB** each way (**600 THB round trip**)

On departure days, it is possible that our drivers may be delayed by unforeseen reasons. If the driver does not arrive at the agreed time and location, please give our transfer manager a telephone call and notify him of the delay. Please note that as this is a shared service, customers being transferred from the Phuket area may experience longer travel times on the minibus if you are one of the first pick up collections.

You may also arrange your own private taxi if you wish to be picked up at a time and date that is not included on our shared shuttle schedule, or you would simply prefer a faster transfer. If you arrange a private taxi to our dive centre, please notify us that you do not require our transfer service. If your taxi driver needs assistance finding the dive centre, please ask him or her to contact the transfer manager by phone for directions.
